GOVT OF MYSORE

Sir,

Re - Urgent works proposed to be taken up for the protection of water-supply system in Mysore City

=====

With reference to your letter No L 11183/ML 167-41-19 dated the 22nd May, 1942 according approval to taking up the works noted in the margin pending sanction thereto by the Municipal Council and the Government and the allotment of funds therefor, I have the honour to state as under -

1 Constructing protective walls all round High Level Reservoir 3645/-	
2 Protecting the machinery at Belagola Pumping Station and the Jewell Filters 1760/- & 1230/-	
3 Removing one of the pumps and installing the same 100 ft away Rs 9450/-	
4 Removing and redistributing the existing hydrants Rs 580	
Total 16645	

1 Of the works referred to above, the two estimates for protecting the machinery at Belagola Pumping Station and Jewell Filters for Rs 1,760/- and Rs 1,230/- respectively were included in the lumpsum estimate for Rs 25,500/- sent with your letter No.L 7531 dated 19th February, 1942, the item being No 3 of the same

2 When this estimate for Rs 25,500 was placed before the Municipal Council at their Meeting held on 28-2-1942 resolution as under was passed by the Council

"The Government may be requested to meet this and other expenditure necessary in connection with these measures

3 This Resolution was submitted to Government with my letter No G T 2340 dated 2-4-1942 and orders are awaited

4 Regarding the estimate for Rs 9,450/- for removing one of the pumps and installing the same at mile 4/1 on Mysore-Belagola Road, when the detailed estimate prepared by the Sanitary Department was placed before the Managing Committee they invited attention to the resolution passed by the Municipal Council on 28-3-1942 and this fact has been intimated to you in my letter No G T 2776 dated 22-5-1942 and orders on this are also awaited When these items were discussed at the Managing Committee and the Municipal Council, the Council were decidedly of opinion that these being extraordinary items of expenditure, they would have to be financed from the Government only and the Municipal Council could bear no part of this extraordinary expenditure keeping in view their immediate needs for running the ordinary administration of the Municipality

5 I am, therefore, writing this letter to you to request you to please obtain orders of Government regarding the source for meeting the above expenditure

I have the honour to be,

Sir,

Your most obedient servant,

PRESIDENT CITY MUNICIPAL COUNCIL
MYSORE

To

C Narayanaswamy Naidu, Esq, B A, B L,
Secretary to Government, Law Department,
BANGALORE

Sir,

Re the source for meeting the cost of estimate for Rs 16 645- Adverting to your letter No L 1731/Ll 167-41-35 dated 8th August 1942, I have the honour to state that from the files in my office the following are seen to be the estimates that have been sanctioned from time to time re A R P works for W W water work.

i G O No L 2474-77/Ll 127-41-2 dated 19th September 1941 for Rs 1,600/- for putting up a barbed wire fencing around the pumping station at Belagola

To be met from Government funds - Budget of the Police Deptt

ii G O No L 2959-64/Ll 127-41-4 dated 10th October 1941 for Rs 456/- for putting up five parallel goose-neck lamp fittings in the Pumping Station Yard at Belagola

To be met from Government funds - Budget of the Police Deptt.

iii Government letter No 11183/Ll 167-41-19 dated 22nd May 1942 for Rs 16,645/- for protection of the water supply system in Mysore (details given in the following paragraphs)

iv Government Order No L 537-40/Ll 137-42-2 dated 13th July 1942 for Rs. 652/- for covering the two water mains running from Belagola to Mysore

To be met from Government Funds - "24 Civil Works in the State Budget for 1942-43"

v Government Order No 345-9/Ll 167-41-9 dated 13th July 1942 for Rs 25,500/- (Original) and 648 (recurring) in connection with the

with the A R P measures of the Vani Vilas Water Works, Mysore City

To be met from Government Funds -"24th Civil Works, 8 Civil Works in charge of the Bureau of Sanitary Engineering"

2 The estimate for Rs 16,645/- vide item iii above includes the following items

i	Constructing protective walls around High Level Reservoir	Rs	3,645/-
ii	Protecting the machinery at Belagola Pumping Station and the Jewell Filters		1,760/- & 1,230/- respy.
iii	Removing one of the pumps and installing the same 100 feet away		9,450/-
iv	Removing and redistributing the water hydrants		560/-

Of the above items, the estimate for constructing protective walls around the High Level Reservoir has been dropped vide Government Order No L 1419-22/41 137-42-4 dated 31st July 1942 The estimates for protecting the machinery at Belagola and the Jewell Filters have already been included in the estimate for Rs 25,500/- which has been sanctioned, vide item 3 in the estimate for Rs.4,500/-

3 Regarding the estimate for Rs. 9,450/- the Sanitary Engineer and the Special A R P Officer, Bangalore consider, vide copy enclosed, that unless Oil Pumping sets are available this shifting will be of no good and that this estimate may also be dropped

4 Regarding the estimate for redistributing the hydrants, this has already been sanctioned, vide your letter No L 6651/M1 167-41-39 dated 6th January 1943 ~~to the A R P Controller, Mysore City~~ This sum may if necessary be met from the estimate under Watering of roads under which there is a lumpsum provision of Rs 300/- for repairs to hydrants etc and there should also be considerable savings since no road watering is being done now

5 In these circumstances the question of sanction to the estimates for Rs 16,645/- for protection of Vani Vilas Water Works may be dropped and the file closed

I have the honour to be,
Sir,
Your most obedient servant,
